

**MAP TEAMS AND A-TEAMS**  
**State Level Case Review Team**

- Authorization for Operating: Interagency Agreement
- Target Population:
  - Children and Youth up to age 21 years (or above if not completed school/ed.)
  - Serious Emotional Disorders (as per DMH definition, see page 3)
  - Typical history of more than one out-of-home psychiatric treatment
  - Appears to have exhausted all available services/resources in the community and/or in the state
  - Children and youth who have experienced numerous interruptions in delivery of services across a variety of attempted service deliverers due

to frequent moves, failures to show, or reason(s) unknown.

- Primary Tasks:
  - Meet regularly once per month.
  - Review cases of children/youth referred from local level.
  - Identify what has been tried and services used.
  - Recommend any modifications that are possible to obtain services with present service/system.
  - Develop Recommended Service Plan (this may include existing services and informal supports/services).
  - Monitor and track implementation of Recommended Service Plan and status of child/youth.
  - Use information about availability of needed services; success of services with child/youth; other pertinent information gathered during the year to plan for modifications and plan further for future years.

#### **Local-Level MAP Teams**

- Authorization for Operating: Interagency Agreements
- Target Population: MAP Teams exist to serve the following children and youth (up to age 21) with serious emotional/behavioral disorders or serious mental illness who:
  - are at-risk for an inappropriate *24 hour institutional placement* due to lack of access to or availability of needed services and supports in the home and community,
  - are returning to a primary caregiver in the community from an inpatient acute psychiatric hospital or psychiatric residential treatment facility, and/or
  - are SED/SMI of transition age (14-21) who need assistance with resource planning to remain in the community.
  - Younger children (ages 3-5 years) who have been identified as being most at-risk of later SED, as per the MAP Team At-Risk Screening Checklist, can also be assisted with identifying and accessing community resources by the local MAP Team.

- Primary Tasks:
  - The **first priority** of the MAP Teams is to review cases concerning children and youth (ages 5 to 21) who have a serious emotional/behavioral disorder or serious mental illness and who are at immediate risk for an inappropriate **24 hour institutional** placement due to lack of access to or availability of needed services and supports in the home and community. Immediate risk is defined as 1) the actual consideration of being placed out of the home at the time the referral is made or 2) community resources are not meeting the needs of the child/family at the time the referral is made.
  - The **second priority** of the MAP Teams is to review cases of children (ages 3-5), who have early behavioral and peer relationship problems and two or more of the factors identified on the “MAP Team At-Risk Checklist”.
  - The **third priority** of the MAP Teams is to review cases of transition-age children/youth (ages 14-21) to assist with resource planning to meet specific needs to appropriately remain in the community.
  - MAP Teams identify **community-based services** that may divert children and youth from an inappropriate 24 hour institutional placement.
  - MAP Teams facilitate the **provision and coordination of services** across agencies/entities for the target population.
  - MAP Teams facilitate **continuity of care** for children/youth with serious emotional disorders/ serious mental illness.
  - MAP Teams facilitate **support** for children/youth with serious emotional disorders/ serious mental illness and their families.
- Membership (typically includes representative from each of the following)
  - Families
  - Local schools
  - Community Mental Health Center
  - County Human Service Office, Family and Children’s Services
  - Local Department of Rehabilitation Services
  - Local Health Department Representatives
  - Local Law Enforcement

- Ministers
- Youth leaders
- Other representatives of children/youth family service groups or organizations
